

# CAPACITI

## Sibusiso Botya

### Personal Details

**Age:**

33

**Location:**

Cape Town, Western Province

**Languages:**

IsiXhosa, English

**Driver's License:**

No

### Online Presence

- LinkedIn: [linkedin.com/in/sibusiso-botya-7a807224a](https://www.linkedin.com/in/sibusiso-botya-7a807224a)
- Portfolio: [botya-cloud-portfolio-build-web.lovable.app](https://botya-cloud-portfolio-build-web.lovable.app)
- GitHub: Sibusiso Botya (SBU0528)

### Technical Proficiencies

- Cloud Platforms: Google Cloud (Compute, Storage, Networking), Microsoft Azure (App Services, Functions), AWS (S3, CloudFront)
- Networking & Security: Cisco CCNA, A+ and Network+ certified; firewall configuration; VPNs; subnetting
- Databases & Storage: Firebase (Cloud Messaging, Auth, Firestore), SQLite, Cloud SQL

### Soft Skills

- **Communication:** Clear technical documentation and stakeholder updates
- **Collaboration:** Working effectively in cross-functional teams

### Interests

- Mobile and web app development
- Cloud computing and infrastructure

I am an IT professional and Cloud Associate with a passion for secure, scalable infrastructure and cutting-edge application development. Since discovering IT in 2018, I have gained hands-on experience across networking, cloud platforms and mobile apps. I thrive on solving complex problems and delivering projects that make an impact.

### » Education

- Matric 2009
- Optimi College (2024) – A+, Network+ & CCNA Bundle

### » Work Experience

- Cloud Associate – CAPACITI (Feb 2025 – Present)

### » Achievements and Key Projects

- Personal Portfolio Website: Cloud-themed React site showcasing projects, certifications and contact form using Formspre.
- TaskNestOne: Expo + React Native app with Firebase Cloud Messaging and offline storage – featured in community expo demos.
- Certifications: Completed Cisco CCNA, CompTIA A+ and Network+ with distinction.
